RUFFLE FOR PILLOW: Work in same manner as ruffle for bedspread having 21 inches for each long side and 12 inches for each short side, or desired dimensions, joining all rows and working 4 corners.

TO MAKE BEDSPREAD: Cut net 48 x 71 inches or about 10 inches larger all around than dimensions of crib. Sew a narrow hem around all sides. Baste a line about 9½ inches in from all edges. Sew a very narrow tuck along basting to form an outline for guide for ruffle.

Sew the center of crocheted ruffle to top of spread about 1 inch from inner edge of tuck along 2 long sides and 1 short side. Sew flowers for bedspread to center of crocheted ruffle. With Yellow "STAR" Six Strand Mercerized Embroidery Cotton, embroider a French Knot in center of each flower. Cut sateen for lining same size and finish with a narrow hem.

TO MAKE PILLOW: Cut 2 sateen pieces 12 x 15 inches or desired dimensions. Sew all edges leaving an opening for kapok. Fill and sew remainder of opening. Cut 2 net pieces 13 x 16 inches. Sew 2 long and 1 short side together. Sew a narrow hem on each free edge. Finish opening with snap fasteners. Sew crocheted ruffle to pillow in same manner as bedspread 1 inch from outer edge.

TO MAKE DUST RUFFLE: Cut sateen 29 x 52 inches or desired dimensions to fit top of spring. Cut 2 strips of sateen 15½ inches wide by 58 inches long or double the width of crib. Cut 2 strips 15½ inches wide by 104 inches long or double the length of crib. Sew a very narrow hem on each short edge, and ½ inch hem on 1 long side of each section. Shirr ½ inch from top and sew a small ruffle to each short side of top section and a long ruffle to each long side of top section.

NET RUFFLE: Cut 2 strips of net 18 x 87 inches (triple the width of crib). Cut 2 strips of net 18 x 156 inches (triple the length of crib). Finish each ruffle same as sateen ruffle having a 2½ inch hem on lower edges. With right side of top section and right side of net ruffle facing each other, sew net ruffle along edge of top section. Bring net ruffle down over sateen ruffle thus forming a neat edge on top of net ruffle.

TO MAKE CANOPY: Cut tape 175 inches long or long enough to go around entire top of canopy. Sew free ends together being careful not to twist tape. Mark tape as follows: mark off 29¼ inches or width of canopy, mark off 57¾ inches or length of canopy, mark off 29¼ inches. Cut net 30¼ inches wide by 173 inches long or triple the length of canopy. Sew each short edge of net to each short section of tape. Shirr each long edge of net to each long section of tape.

RUFFLE FOR CANOPY: Cut net in strips 15½ inches wide and a sufficient amount to double the dimensions of top of canopy. Sew short ends together. Fold material 1¼ inches from 1 edge (top edge), fold single section of net down over double thickness. Shirr about 1 inch from top and sew to free edge of tape around top of canopy. Sew crocheted ruffle to net ruffle leaving 1 inch free at top. Sew flowers along top edge of crocheted ruffle in same manner as for bedspread and embroider each flower with French Knots.

Cut 14—12 inch strips of tape. Fold each in half and sew folded edge to tape of canopy on inside for fastening to frame. Sew 1 at each corner, 2 on each short edge and 3 on each long edge at even intervals.
